

# Registered Supportive Recovery Assisted Living Services in British Columbia

In partnership with the Ministry of Mental Health and Addictions and Ministry of Health, the BC Centre on Substance Use has compiled the following list of registered supportive recovery residences and licensed substance use facility in British Columbia.

Oversight and accountability for registered supportive recovery residences is the responsibility of the Ministry of Health – Assisted Living Registry. The following information has been collected directly through service providers and publicly available information and is subject to change at any time. As such, it is recommended to call these residences directly to get the most up to date information and to address any special considerations and requirements you may have.

Residence	Address	Postal Code	Phone	Website	Accepting clients on OAT**	General Eligibility Requirement	Email address
<b>* For further information about OAT policies, please contact facilities directly to guide your decision making and determine if the service fits with your recovery goals and current medications.</b>
