Tell us your hopes for health care

On February 25, you could be a speaker at Health Talks, where six people will give PechaKucha presentations about their hopes for health care.

Why enter?

This is a great opportunity to take your place behind the Health Talks virtual podium and tell an engaged and passionate group of patients and health care professionals how you think health care can be better, and potentially inspire a change to BC's health care system! The winner will also receive one complimentary registration to Quality Forum 2021, which will be an entirely virtual event.

Your hopes can be anything. Outside-the-box. Based on experience or a vision for the future. Micro or macro. Get creative!

How to enter?

Send us your hope in any of the following formats:

- Video (max. 3.5 minutes)
- Essay (max. 500 words)
- Design concept, photo, poem...surprise us!

Who can enter?

- All students in British Columbia: post-secondary, high school, elementary school – all are welcome!
- Individuals or teams (featuring a maximum of three people) are welcome
