Quality Culture Trailblazer

Judging Criteria

Judges will score nominations based on the following framework.

1. The Trailblazer's Landscape   / 10

There are countless, and often outside-the-box or unconventional, ways in which change can take place so that a nominee's team members thrive and patients receive the best care possible. This category considers what aspects of their workplace culture the nominee changed and why.

2. Impact   / 15

This category considers the nominee's actions as well as the amount of positive change that those actions catalyzed.

Examples illustrate how the nominee created an environment where passionate staff are empowered and encouraged to innovate; where teamwork and open communication are the norm; where team members work hard, but also have fun while doing so.

3. Inspiration   / 10

The nominee inspires others to challenge the status quo in their mission to provide better care. Examples illustrate others committing to acting differently as a result of the nominee's work.

4. Engagement   / 10

The nominee meaningfully engaged those affected by the project, such as patients, families and/or caregivers, and health care professionals.

5. Quality of Submission   **/ 5**

The submission contains minimal spelling and grammatical errors, jargon and acronyms. The submission is presented coherently.
